

# Happy Hour [C] - Housemartins

[Intro] [C] [Em] [F] [G] (x2)

It's [C] happy [Em] hour again  
I [F] think I might be happy, if I [G] wasn't out with them  
And they're [C] happy, it's a [Em] lovely place to be  
[F] Happy that the fire's real, the [G] barman is a [C] she.

[C] Where the [C] haircuts smile, and the meaning of style Is a night out with the [G] boss  
Where you [C] win or you lose, and it's them who choose  
And if you don't win then you've [G] lost

[Chorus]

[N/C] What a good place to [C] be  
Don't be[Em]-lieve it  
'Cause they [F] speak a different language  
And it's [G] never really happened to [C] me  
Don't be[Em]-lieve it, oh [F] no  
'Cause it's [G] never been happy for [C] me

No [Em] – oh wo – oah [F] [G]

[G] It's a[C]-nother [Em] night out with the boss  
[F] Following in footsteps [G] overgrown by moss  
And he [C] tells me that [Em] women grow on trees  
And [F] if you catch them right they will [G] land upon their kne-ee-[C]es

Where they [C] open all their wallets, and they close all their minds  
And they love to buy you all a [G] drink  
And as we [C] ask all the questions and you take all your clothes off  
Go back to the kitchen [G] sink

[Chorus]

[Instrumental]

[C] [C] [C] [F] x 2

[Chorus]

Don't be[Em]-lieve it  
[F] Don't be[G]-lieve it  
[C] Do [Em] –o- on't be [F]lieve it [G]

It's happy hour a[C]-gain, and a[Em]-gain, and a[F]-gain [G]  
It's happy hour a[C]-gain, and a[Em]-gain, and a[F]-gain [G]  
It's happy hour a[C]-gain, and a[Em]-gain, and a[F]-gain [G]  
It's happy hour a[C]-gain.
